We want to say thank you to everyone for the wonderful Teacher Appreciation Week. The teachers enjoyed the food, gifts and the thoughtfulness and kind words on the stars that the children made. It was such a special week!

It is hard to believe, but our school year is coming to an end, As we wind down with many upcoming activities we will begin to say good bye to some of our children and their families. It has been a pleasure being part of your lives and watching your children grow. We hope you have a wonderful summer and it is our hope that the children's early learning experiences will guide them as they move onto new schools and new experiences. Fortunately, we have many children continuing on for summer camp and we do not have to give those final hugs and goodbyes to everyone just yet.

On May 24th and 25th the children discussed bike safety and participated in a Trike-A-Thon for St. Jude's Children's Research Hospital. They all loved bringing in their bikes from home during this event. The children did a great job collecting donations for this important cause. We appreciate your generosity.

We are spending lots of time outside now and we want to remind you that children need sneakers to use on the climbing equipment and bikes. Sandals can slip easily on equipment and toes can also get scraped while riding bikes. If your child wears sandals we ask that you provide socks for cot time in the event that we have to evacuate the building. Socks will provide some protection for their feet as we cannot stop to put on shoes.

We look forward to seeing everyone at the Family Picnic on June 7th. We will have some adult games set up in the yard this year (ladder ball, corn hole, lawn darts etc) Please remember these games are for the adults, there will be lots of games set up for the children as well. In the event of rain the picnic will be held the next day. The different age groups will also be having an end of the year picnic. Please be on the lookout for the memo.
