

A CHILD'S GARDEN MARCH 2020 NEWSLETTER

Directors: Michele Linane & Lacy Gerardi

Administrative Assistant: Daisy Gonzalez

Business Manager: Michael Miklus

Founder: Elaine Tatem

This month our annual reading incentive program will begin for the Preschoolers and Toddlers. Children will be asked to bring in the name and author of a book they have read at home with a parent. The goal is for the children to read 20 books by the end of April when the program will end. The children will receive a free book and certificate from A Child's Garden. Watch for further details in your parent pockets.

The children will participate in various St. Patrick's Day celebrations and special snacks in their classrooms. Often we have visits from some pesky Leprechauns that have been known to be quite mischievous. Please keep your eyes open!

Outside enrollments are coming in for summer camp and fall so if you have not turned in registration for either of these programs and wish to do so, please hand it in so that you do not lose your space.

Conferences for the toddlers, threes, fours and Alt K will be held in the month of April. For those children going to kindergarten we will be completing and sending out the evaluations provided by the elementary schools.
