We hope that everyone's holidays were filled with Good Health and Happiness. Thank you for the many generous contributions to help families in need. We also appreciate all the assistance we received in making the children's holiday parties so much fun. We are always grateful for parent participation from sending in items to setting up or cleaning up. Thank you also for the many kind remembrances to all of us with goodies and gifts.

Please remember if you have not turned in your re-enrollment for the upcoming school year beginning August 24, 2015 please do so as soon as possible to reserve the days you need. We will begin taking new enrollments from the general public.

Preschool parents be on the look out for summer camp registration. **This is a separate registration which should be in your parent pocket the last week in January or the first week in February.** Summer is very popular and fills up fast so do not delay in getting your paperwork in to secure the days of your choice.

All four year old parents should check with their community regarding kindergarten registration as many of the towns will begin enrollment. You will need your child's birth certificate and current health form to register your child for school. Also, for those children moving on to Kindergarten we take children on school closings and vacations. We will give you a memo in your parent pocket so you can review these days that are available to you.

Parents please remember to be sure to send in proper outer clothing - hats, mittens, boots, warm jackets and snow pants with everything labeled. Also, remember to check your child's spare clothing so that if they should get wet they will have dry clothing to put on.
